Abhijit Jadhav

Attended Shivaji University, Kolhapur
Sangli, Maharashtra, India

Summary

I am a B.Tech CSE student with a strong foundation in full-stack development using Python and Java. My experience includes developing end-to-end applications, such as an AI assistant and a Telegram chatbot, which enhanced my skills in backend engineering, API integration, and automation. I am committed to continuous learning and passionate about creating scalable, user-focused software solutions. I am actively seeking opportunities to contribute to impactful projects in software development and AI.

Education

Shivaji University, Kolhapur
Bachelor of Technology - BTech, Computer Science · (2023)
